Resources:

We use a wide range of resources throughout our PSHEE lessons.

1. We follow the **PSHE Association's** suggestions for planning. This ensures our coverage is up-to-date with current Government guidelines and is age appropriate for our children.
2. We use a range of resources from **SCARF by Coram Life Education**. SCARF provides education resources, which are developed by teachers and updated regularly. They are interactive and fully aligned with the National Curriculum, promoting children's SMSC (spiritual, moral, social and cultural) development, as well as Ofsted and safeguarding requirements. The Life Education Mobile Classroom from Coram also visits us once a year and children participate in and different learning experience depending on their age.
3. We are extremely proud to be a **KIDSAFE** school. All pupils at Monkway get to take part in the Kidsafe program run by our trained practitioner, Mrs Harker. This program helps children learn to recognise the signs of abuse and potentially harmful situations and develop the confidence and self-worth to know what to do to keep themselves safe. Kidsafe is aimed at children and is therefore very child-friendly. The programme is extremely prevalent in our school and its vocabulary has become part of our everyday life. We cover Kidsafe topics such as:
 - Private Places
 - Trusted Grownups
 - Keeping Safe Online
 - Bullying
 - Yucky Feelings
 - Self Esteem and Confidence
4. We also use the **REAL LOVE ROCKS** program by Barnardo's with our Year 6 children. It is interactive tool to help schools and other professionals talk to children in an age appropriate way about relationships and keeping safe. Following the BU Crew, the Resource uses lots of games, crafts, activities and animations to help children think for both now and in the future. Children learn about four key themes:
 - Relationships: what they are and what makes a happy, safe and fair relationship.
 - Grooming: what it is and how to get help if a child feels uncomfortable.
 - Keeping Safe: how to stay safe, especially as they begin to get an increased independence and go to secondary school.
 - Being Online: How to keep safe when online, on phones, computers, tablets and when gaming.

To fulfil some of the objectives in our curriculum, we will also be using resources from the **PhunkyFoods** programme, which helps us teach our children key healthy eating & physical activity messages through art, drama, music, play and hands-on food experience. The PhunkyFoods Programme aims to deliver a whole-settings approach to healthy lifestyles and to engage with all pupils, and their families, in promoting tangible health behaviour changes in a fun, lively and positive manner.
